VeARC Technologies Pvt Ltd

Subject: Application for Software Developer Position

Dear Hiring Manager,

I am writing to express my interest in the Software Developer position at VeARC Technologies, as advertised. As a recent Information Science graduate from BMS College of Engineering, I am eager to apply my skills in C++, MySQL, and web development to contribute effectively to your team.

My projects, including an NLP-based Emotion Detection System and Netflix Automated Testing using Cypress, showcase my problem-solving abilities and passion for innovation. Additionally, my leadership experience as a Senior Coordinator at BMSCE Phase Shift has strengthened my teamwork and organizational skills.

I look forward to the opportunity to discuss how I can add value to your team. Thank you for your time and consideration.

Sincerely,
Akash Jayachandran
